# WALTHAM WEST SUBURBAN CHAMBER OF COMMERCE

Dear Waltham Residents and Guests,

The Waltham West Suburban Chamber of Commerce is proud to serve our members and surrounding communities. We are pleased to provide this Restaurant and Visitors Guide as a valuable resource. Before you spend your dollars out of town, please consider the many wonderful businesses we have right here in Waltham.

Why patronize locally owned Waltham businesses? Because supporting local businesses has a profound impact on our local economy. In fact, research strongly indicates that buying locally is literally the life blood of a community – buying in Waltham keeps Waltham alive. When you spend your dollars locally, you are investing in your community. Local businesses hire local residents, pay local taxes, support many local organizations and charities, and many local business owners reside right here in our City.

So Support Your Local Businesses And Help Waltham Thrive!

The Chamber strives to accomplish many goals. We are an advocate and resource for local businesses, we are a community partner and we are focused on economic development. Most importantly, we are strongly committed to supporting and promoting buying locally. This allows our businesses to thrive and proudly fund Waltham City traditions like the annual Holiday Lighting, Waltham Holiday Prelude, Historic Waltham Month, Downtown Waltham celebrations, and the honoring of Waltham's outstanding citizens, to mention just a few.

To become a member of the Chamber or to find out more about our organization, please visit our website at [www.walthamchamber.com](http://www.walthamchamber.com).

John Peacock, Executive Director  
Waltham West Suburban Chamber of Commerce

With roots in the deli and bakery businesses of Naples, Italy, Domenic Maione opened Domenic's Italian Bakery & Deli in 1979. Today, Ciro, a third generation baker and butcher, carries on the family tradition of serving tasty, authentic Neapolitan and Italian-American pre-made and made-to-order dishes. there, baking and helping out at the counter.

In addition to savory sandwiches and panini, Domenic's also serves creative pasta dishes, gnocchi, pizza, soups—and if you still have room, freshly baked cookies and cannoli. ## John Brewer's Tavern & Restaurant

39 Main Street  
Waltham, MA 02451  
(781)373-5128  
www.johnbrewerstavern.com

**HOURS OF OPERATION:**  
Mon - Sat 11:30 am - 1:00 am  
Sun 12:00 pm - 12:00 am

Colonial Jonathan Brewer was a Waltham resident and served proudly for "New" England in the Revolutionary War. He led a regiment that consisted of 397 men. Colonial Brewer's regiment was involved in the battle of Bunker Hill.

He owned and operated "The Brewer Tavern", which was located directly across the street from our Waltham restaurant. Brewer operated the tavern from 1770 until the early 1780's. After Brewer sold the tavern it was divided, and half was moved and sat on the property where we operate our Waltham restaurant from today. The original building was torn down in 1922.

Today's owners, Bill and Sue Honeycutt, realizing

the importance of community, decided to name the restaurant after Brewer when they opened their Waltham restaurant in 1998. In 2008, John Brewer's Tavern expanded to Malden and in 2012, a brother restaurant, Brewer's Coalition, opened in the Newtonville section of Newton.

We pride ourselves on our independence, just like Brewer before us. Visit any of our locations to experience good food and libations at reasonable prices. You will be served by our biggest asset, our friendly, hardworking, and loyal staff.

We hope to see you soon. Cheers!

# MORE THAN WORDS

More Than Words (MTW) is a nonprofit social enterprise that empowers youth who are in the foster care system, court involved, homeless, or out of school to take charge of their lives by taking charge of a business.

By working as a team to manage their own retail book business, café, and community space, youth develop the employment skills, leadership, and self-confidence they need to successfully transition to adulthood. In addition to store-based job training, youth are engaged in personal transition planning and case management to support their progress

towards employment and education.

Support the MTW youth team running their business by coming down to find a great book and enjoy a tasty drink from the café.

MTW runs entirely off donated books, cds, dvds, and video games, so if you have items to donate, please stop by any time the store is open or call for a pickup if you have 10 or more boxes.

In addition, we operate our revenue-producing Community Supported Agriculture (CSA) farm share program, offering both summer and winter shares. Founded in 1985, the Waltham Philharmonic Orchestra is a non-profit, tax-exempt organization dedicated to performing baroque, classic, romantic and contemporary music of symphonic literature. It is dedicated to meeting the cultural, educational and social needs of the greater Waltham area.

The orchestra provides a creative outlet for its members who love to learn, perform and enjoy the orchestral repertory, but do not depend on it for their livelihood. Members, who give freely of their time, come from all walks of life, and share a common love of performing great music from composers of the past and present.

The orchestra enhances the cultural life of the communities it serves by “giving back” to them performances in which the audience can enjoy and learn, in exchange for their local support.

The Orchestra performs three subscription concerts and one Holiday Pops concert each year.

This is a community group and all may come and play. Interested players or others who may wish to volunteer behind the scenes may contact the WPO by calling the orchestra or emailing [admin@wphil.org](mailto:admin@wphil.org). Rehearsals are Monday nights from 7:15-9:45 at Waltham’s Clark Government Center, 119 School St. Performances are usually late October, late November, March and May.
